GENUINE BMW ACCESSORIES.

EQUIPPED WITH THE BEST IDEAS.

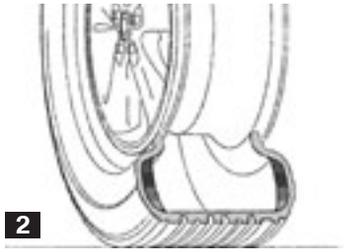
JOY IS AT HOME EVERYWHERE.

From city centre to motorway, along twisting mountain roads, and down the gravel track that leads to your holiday home – the BMW X5 is equally at ease in all these different environments. Because apart from its powerfully elegant design, its most striking feature is its flexibility – flexibility that can be enhanced still further in an almost infinite variety of ways with Genuine BMW Accessories.

Genuine BMW Accessories give you enormous scope to customize your BMW to your personal tastes and needs, over and above what is offered by the comprehensive range of factory fitted optional equipment. From exterior to interior, and from communication & information systems to transportation & luggage solutions, now you can enjoy all the attributes of your BMW X5 in your own unique style – on city streets and country trails alike.

BEAUTY THAT'S MORE THAN SKIN-DEEP.

GENUINE BMW EXTERIOR ACCESSORIES.



2

3 Double spoke 215 in ferric grey*
21 inch size, cast alloy wheel.

4 Double spoke 215 in black*
21 inch, cast alloy wheel.

5 Individual roof rails in brilliant Shadow Line aluminium
A striking addition to the roof.

6 Individual roof rails in satin-finish aluminium
(see page 2) The perfect combination of good looks and functionality.

1 Aerodynamic kit
In body colour. The attachments for the front and rear aprons accentuate the strikingly powerful styling of the BMW X5.

1 Aluminium running boards
Broadened step surface made of brushed and anodized aluminium.

1 Star spoke 128 in chrome*
21 inch, cast alloy wheel.

1 Roof rails
Perfectly matched to the overall design of the BMW X5.

1 Exhaust pipe finishers in chrome, oval
A striking detail at the rear of the BMW X5.

1 Rear lights
In a new-look design. For models manufactured up to March 2010.

2 Runflat tyres
In the event of a puncture, runflat technology uses specially reinforced tyre sidewalls, made from a highly heat-resistant rubber compound, to prevent depressurized tyres from sliding off the rims. So, even in the event of a complete loss of tyre pressure, the vehicle can continue without the need for a tyre change. Depending on the vehicle's load and the damage to the tyre, it can continue at a maximum speed of 50 mph for a further 100 miles.

All wheels feature runflat tyres.
* May require additional wheel arch trims, please contact your local BMW Dealer.

4

6

1 V-spoke 239*
21 inch, cast alloy wheel. Not for X5M.

2 Star spoke 128*
21 inch, cast alloy wheel. Not for X5M.

Star spoke 128 in midnight chrome* (see front cover)
21 inch, cast alloy wheel. Not for X5M.

3 Y-spoke 214*
20 inch, cast alloy wheel. Not for X5M.

4 Cross spoke 177* (see page 2)
Available in 18, 19 and 20 inch, cast alloy wheel. Not for X5M.

Wheel bolt locks (not shown)
The special BMW locks offer excellent protection against theft. Bolts can only be removed using a special tool, which is supplied with the locks.

1

2

3

4

5

6

5 Mud flaps
Protect your car and the vehicle behind you against dirt and loose chippings. Available for both front and rear wheels.

6 Snow chains
The snow chains have been specially adapted for use with BMW tyres. They are easy to fit, and offer optimum grip on snow and ice.

7 M V-spoke 227*
20 inch, cast alloy wheel. Not for X5M.

8 M V-spoke 223
19 inch, cast alloy wheel.

9 + 12 M aerodynamic kit
The dynamic appearance of the BMW X5 is further enhanced by the M front apron, M side skirts and M rear apron.

10 Y-spoke 211
19 inch, cast alloy wheel. Not for X5M.

11 Star spoke 209
18 inch, cast alloy wheel.

Winter wheel-and-tyre sets* (not shown)
Available in 18, 19 and 20 inch. Specially designed for this vehicle.

For more information about the range of wheel and tyre combinations and winter wheel and tyre sets, please see www.bmw.co.uk/accessories.

All wheels feature runflat tyres.
* May require additional wheel arch trims, please contact your local BMW Dealer.

1 Mirror caps in chrome
The perfect finishing touch to the distinctive looks of the BMW X5.

1 M double spoke 333*
20 inch, cast alloy wheel. Not for X5M.

1 Front grille in black
The surround and longitudinal bars of the kidney grille are in black, emphasizing the dynamic styling of the BMW X5.

Front grille in titanium (not shown)
The kidney grille has titanium coloured longitudinal bars and chrome edging.

2 Underride protection
Protects engine, radiator and underbody against damage, and emphasizes the powerful looks of the vehicle's front end. With built-in tow point.

3 Exhaust pipe finishers in chrome
The chrome trims provide a sporty accent to the rear of the vehicle.

Wing mirrors for trailer towing (not shown)
Vibration-free thanks to special holders attached to the vehicle's exterior mirrors.

Car covers (not shown)
Washable and precisely fitted to the BMW X5. Easy to put on and take off. Silver in colour, with a surface that is heatproof and dirt/water-repellent. For the windscreen and front side windows only, or for the whole vehicle, with ventilation openings and BMW roundel.

All wheels feature runflat tyres.
* May require additional wheel arch trims, please contact your local BMW Dealer.

JOY IS THE VITAL COMPONENT.

BMW PERFORMANCE.

Choosing a BMW means choosing sporting performance, outstanding driving dynamics and innovative technology, because these are the principles that we're not prepared to compromise on – principles that reach their full expression with the BMW Performance range. These technical and design components for the aerodynamics, chassis, cockpit and drive train of the vehicle were all designed with one aim in mind: to deliver performance in its most dynamic form.

As a result, the BMW Performance range enables BMW owners – and admiring onlookers – to experience just how thrilling BMW engineering can be. More information about BMW Performance Accessories can be obtained from your local BMW Dealer.

For more information, please see www.bmw.co.uk/performance.

1 Decorative trim in dark variegated bamboo for leather sport steering wheel
Brings a touch of elegance to the interior of the BMW X5. A **decorative trim in light variegated poplar** is also available.

1 Interior trim strips in dark variegated bamboo
This stylish option includes trim strips for the dashboard, centre console and doors. Also available in **burr walnut**.

1 Decorative strip in dark variegated bamboo for gear selector lever
Adds a stylish finishing touch to the elegant fine wood trim. A **decorative strip in light variegated poplar** is also available.

2 Decorative trim in burr walnut for leather sport steering wheel

3 Leather sport steering wheel
With multi-function option. Diameter 385 mm.
Also available with steering wheel heating.

4 M leather steering wheel
With multi-function option. Diameter 388 mm.

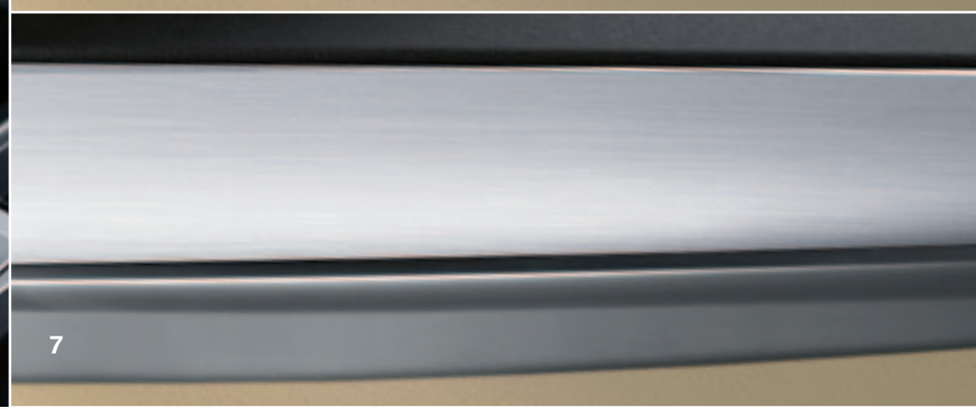
5 Decorative strip in burr walnut for gear selector lever

6 Interior trim strips in light variegated poplar

7 Interior trim strips in fine longitudinally ground aluminium

5

6



7

3

1 Sun screen
Quick and easy to attach to the rear windscreen, rear side windows, and luggage compartment side windows. When not in use, it can be stored in the bag supplied.

1 BMW Junior seat II-III
Suitable for children weighing 15 to 36 kg (aged approx. 3.5 to 12 years). The seat can be quickly and easily secured in place with the three-point belt. The height of the seat and position of the headrest and side bolsters can be adjusted with one hand, and the seat offers outstanding lateral support. The adjustable backrest makes the BMW Junior seat II-III perfect for long journeys, and the removable cover is machine-washable. Available in two colour schemes.

2 BMW Baby seat 0+, with/without ISOFIX
Designed for children weighing up to 13 kg (approx. 18 months). A seat reducer is included. The baby seat shell is mounted facing away from the direction of travel, either on the rear seat, or provided the airbag is deactivated, on the front passenger seat. The shell can be detached from the reboard frame, and used separately as a carrycot. With detachable sun screen. Available in two colour schemes.

3 BMW Junior seat I-II, with/without ISOFIX
Suitable for children weighing 9 to 25 kg (aged approx. 9 months to 7 years). The seat features a restraint cushion and a height-adjustable back. The use of the ISOFIX function is permitted for children weighing up to 18 kg. Children weighing more than this should be secured without the restraint cushion, using the seatbelt. When used in conjunction with third-row seating (option 4UB), the BMW Junior seat I-II is secured with the three-point belt. Available in two colour schemes.

Backrest protector (not shown)
Protects the upholstery on the back of the front passenger seat against dirt and damage.

4 Door entry strips in stainless steel
In stainless steel, for front and rear. Available in illuminated (not shown) and non-illuminated versions. With BMW lettering.

4 Stainless steel pedals
A stylish detail in the footwell.

5 Rubber floor mats with textile inlay
Available in anthracite, beige and grey.

6 Velour floor mats
Available in anthracite, beige and grey.

7 Cross-Country floor mats
Available in anthracite, beige and grey.

8 Coat hanger
Can be easily attached to the headrest and removed again.

9 Belt holder
Attaches quickly and simply to the headrest support bars, ensuring the belt is easily reachable in any sitting position.

10 Umbrella bag
With matching BMW umbrella. Installed in the front passenger footwell for ease of use.

3

4

5

6

7

8

9

1 Seat back storage pocket
Containing compartments of different sizes, this storage pocket matches the dimensions of the front seats precisely, and can be fitted on either the driver or passenger side. It is the perfect place to store small items. Available in black and lemon.

2 Shoe case
Can quickly and easily be stored behind the front seats. With compartments for two pairs of shoes.

3 Sunglasses case
With BMW lettering. Can be easily attached to convenient locations such as the sun visor or grab handles.

Key holder (not shown)
Made of high-quality black leather, the key holder fits the keys like a glove. It protects against scratches, dirt and water splashes, and prevents the buttons from being pressed accidentally.

4 CD/DVD storage sleeve
For easy attachment to the sun visor. Holds seven CDs or DVDs.

5 Coolbag
CFC-free electric cooler which chills its contents to approx. 20°C below the temperature inside the vehicle. Capacity: 14 l.

6 Clean bag
This textile bag with a removable plastic liner can be attached to the nets on the seat backs in a matter of seconds.

7 Protective rear cover
This separable cover protects both the rear seat bench and door linings. It is water and dirt-repellent, and features openings for three-point belts, which also allow items such as the dog safety harness to be fitted.

8 Halogen reading lamp
Suitable for map reading. The bending arm allows you to adjust the light beam in any direction.

LED torch (not shown)
A pocket-sized, battery powered flashlight.

9 Smokers package
Comprises a cigarette lighter and an ashtray, which is located in the cup holder in the front of the centre console.

Comfort/active seats (not shown)
For driver and front passenger. The wave motion of the two-section seat base ensures occupants stay comfortable and relaxed even on long journeys. The angle of the upper third of the seat back, and the position of the headrest, side bolsters and thigh support, can be adjusted electrically. With memory function for the two front seats, exterior mirrors and steering column.

Sport seats (not shown)
Seat height, inclination and thigh support can be individually adjusted. Side bolsters hold the occupant firmly in place.

Lumbar support (not shown)
Available for the driver's and front passenger seats. The height and intensity electrically adjustable lumbar support provides effective support for the spinal column. The air chamber system supports an orthopaedically perfect sitting posture.

GET THE FULL PICTURE.

BMW COMMUNICATION AND INFORMATION ACCESSORIES.

1 BMW Advanced DVD system
Comprises two seven inch colour monitors built into the front seat backs, two sets of cordless stereo headphones, two infrared remote controls, and a multimedia player built into the centre console. AV sockets make possible the connection of devices such as games consoles or video cameras. The tilting monitors help to provide a brilliant picture, are nonreflective from every angle, and can also be operated separately. Depending on the other equipment specified, audio can also be output through the BMW radio loudspeakers, with video playback on the control display. The DVB-T set-top box (available separately) allows digital TV programmes to be watched on the move.

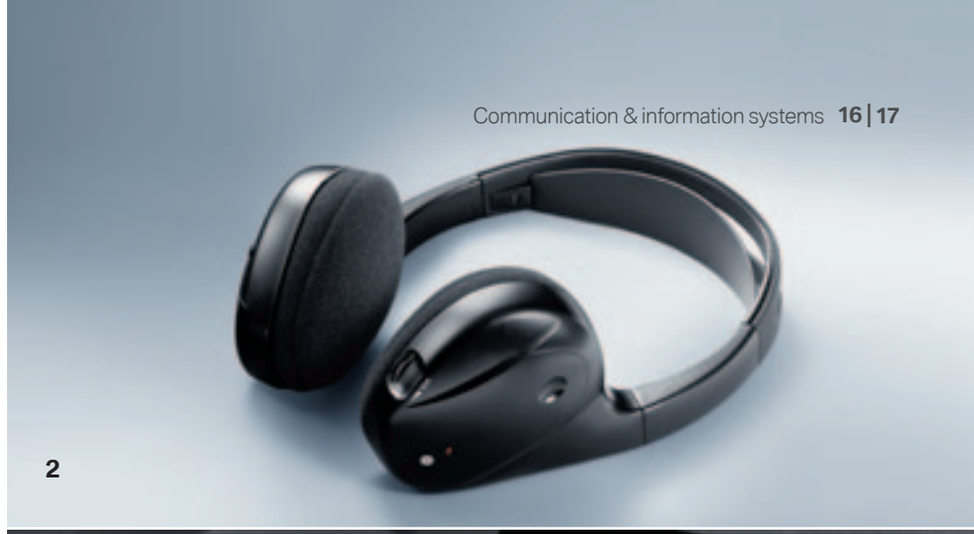
2 Infrared stereo headphones
Specially designed for use with BMW DVD systems. They are exceptionally comfortable, while delivering outstanding sound quality, and allowing wearers to control their listening volume. Two versions available.

3 BMW Portable DVD system
A docking system integrated into the roof lining on a level with the driver's and front passenger seats accommodates the portable DVD player. The system is equipped with a 10.2-inch TFT colour monitor and can easily be removed for use at home or elsewhere. It plays video DVDs and audio CDs (incl. MP3 and WMA formats) in stunning quality, and can also be used to view digital photos stored on CD. There is an AV socket to enable the easy connection of devices such as games consoles or video cameras. Two sets of cordless stereo headphones, infrared remote control, a carrier pouch and a power pack all come with the BMW Portable DVD system. Dependent on the other equipment specified, there is also the option to output audio through the BMW radio loudspeakers. The DVB-T set-top box (available separately) allows digital TV programmes to be watched on the move.

4 Universal DVD system
Consists of two portable seven inch monitors, plus two holders that are attached to the headrest support bars. The DVD system can be plugged in to the vehicle's 12 Volt power socket. The DVD player, which is built into one of the two monitors, can play video DVDs, and photo and audio CDs (including MP3 format). In addition, JPEG images and music files on USB sticks and memory cards of various formats can be viewed or listened to. The portable monitors can also be used outside the vehicle. Audio playback is via either the monitors' built-in loudspeakers, or headphones such as the optional infrared stereo headphones from BMW.

DVD changer (not shown)
Holds six discs, and supports DVDs with stereo sound.

CD changer (not shown)
Built into the glovebox. For up to six CDs (including MP3 CDs).



2

3

4

1 Snap-in adapter
A robust docking system for making calls and charging the phone, together with improved reception via an external aerial. Suitable for current Apple, Nokia, Motorola and Sony Ericsson mobiles. **Snap-in adapter with USB interface** additionally allows playback of music files stored on the phone via the vehicle's audio system and is only in conjunction with option 6NF (Bluetooth telephone audio connection). Suitable for current Apple, Nokia, Motorola and Sony Ericsson mobiles. Apple iPhones do not need the additional iPod adapter cable.

Bluetooth hands-free kit
For common Apple, Nokia, Motorola and Sony Ericsson mobiles, plus RIM BlackBerry® devices. Thanks to the interchangeable, phone-specific snap-in adapter, drivers can make calls hands-free. When plugged in to the system, the phone is automatically recharged. Operation is via the iDrive Controller, multi-function steering wheel or Voice Control. An external aerial ensures the best possible reception at all times.

2 BMW Professional navigation system
With 8.8-inch display, including BMW Professional radio, on-board computer and expanded voice control. GPS directs drivers swiftly and accurately to their destination. The system provides guidance by voice instructions and route maps or directional arrows. The splitscreen function enables information from two sources – for example, the navigation system and the radio menu – to be displayed at the same time. The dynamic route guidance system suggests an alternative route when the radio receives information on traffic congestion via TMC.

3 iPod interface
Enjoy all your favourite music on the road. The interface connects the iPod™ directly to your vehicle's audio system: artist, song and genre information and playlists can all be viewed on the control display, and music can be selected using the iDrive Controller or the multi-function steering wheel. The iPod™ is stored securely in the glovebox, and the battery is charged during playback through the vehicle's electrical system.

4 Reversing camera
Clearly shows the area behind the vehicle on the control display. Interactive track lines show, for example, whether or not a parking space is big enough for the vehicle. The reversing camera is automatically activated when reverse gear is engaged.

5 TV function
Allows the control display to be used as a television when the vehicle is stationary. The system receives both analogue and digital (DVB-T) terrestrial broadcasts.

6 iPod adapter cable
Enables an iPod™ to be connected to the audio system via the USB audio interface.

6 USB audio interface
Allows the connection of an external audio device such as a USB stick or MP3 player.

BMW USB stick (not shown)
Memory capacity of 8 GB. With the BMW roundel.

USB charger (not shown)
Plugs into the cigarette lighter. Electronic devices, such as mobile phones, iPods™ and digital cameras, can be charged easily via the built-in USB connection. Different USB charging cables are available if required.

7 BMW Bluetooth headset
A lightweight headset that can be worn on either ear. A Bluetooth connection to the mobile phone enables users to talk on the phone safely and easily in the car, at home and in the office. Excellent sound quality, battery life of up to five hours, and ear buds in three different sizes ensure it can be used anywhere and by anyone. Key phone functions such as accepting and ending calls and volume adjustment can be controlled via a button on the headset. Can be worn in conjunction with glasses.

8 Digital roadmaps
Up to date digital roadmaps enable the navigation system to work out the best route in no time at all.

Aux connector cable (not shown)
With gold-plated 3.5 mm jack plug. Two lengths available.

USB connector cable (not shown)

Stolen vehicle recovery*
BMW Trackstar is a small covert device installed in the vehicle which utilises state of the art technology to accurately locate stolen vehicles. Dependent on the device selected BMW Trackstar attracts full Thatcham Quality Accreditation (TQA) or Thatcham Category 5 Accreditation. The BMW Trackstar unit can be upgraded to feature BMW Trackstar On-Demand, BMW Smartnav and Safespeed. For full details please contact your local BMW Dealer.

* All BMW Trackstar products are subject to an annual subscription charge.

SOLUTIONS TO MEET EVERY NEED.

GENUINE BMW TRANSPORTATION AND LUGGAGE ACCESSORIES.

2

1 Bicycle holder for trailer tow hitch, lockable
Suitable for carrying two bicycles. An extension set for a third bicycle is available. Even when loaded, the holder can be lowered out of the way when you want to open the tailgate.

1 Trailer tow hitch with electrically operated pivot-mounted tow ball
Can be used for trailer weights of up to 2,700 kg, depending on the model (with a nose weight of up to 140 kg). With trailer stability control. The hitch is not visible when the tow ball is pivoted away to the side. A trailer tow hitch with a detachable tow ball is available for vehicles with the M sports package.

2 Bicycle lift
Allows a bicycle to be effortlessly lifted onto the roof rack and removed again. Suitable for different bicycle sizes.

3 Touring cycle holder, lockable
Robust attachment for transporting a bicycle with a frame diameter of 22 to 80 mm, also suitable for mountain bikes. A user-friendly fixing system, with a twist mechanism at the same height as the base support system, makes it quick and easy to secure bikes in place.

3 + 5 BMW base support system, lockable
(see page 22)

4 Rear-mounted carrier, lockable
Suitable for carrying two bicycles. Even when loaded, the carrier can be lowered out of the way when you want to open the tailgate. It can be attached quickly and easily to the screw points of the tow eyelets, and as such, is suitable for vehicles without the trailer tow hitch.

5 Racing cycle holder, lockable
Suitable for bicycles with quick release skewers on the front wheel. A holder for securing the front wheel to the base support system is also available.

3

5

4

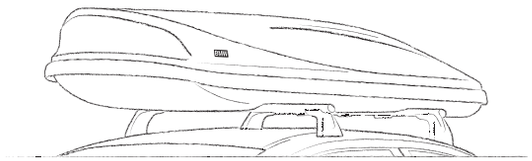
1 - 7 BMW base support system, lockable
Maximum permissible roof load: 100 kg. The base support arms are made of high-strength aluminium tubing and secured to the roof rails. The BMW base support system with anti-theft locks meets the most stringent security requirements. A special version is available for use with the Individual roof rails in satin-finish aluminium or brilliant Shadow Line aluminium.

1 Ski and snowboard holder, lockable
Suitable for carrying two snowboards and two pairs of skis, or up to six pairs of skis. Poles can also be carried.

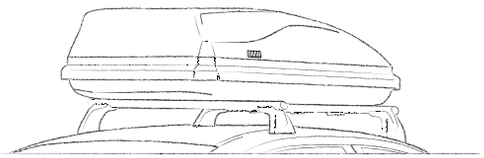
2 Surfboard holder
With board supports made of impact resistant plastic, a built-in mast carrier, strap eyelets and tensioning straps.

3 Luggage rack
High load carrying capacity. Made of lightweight, high-strength aluminium.

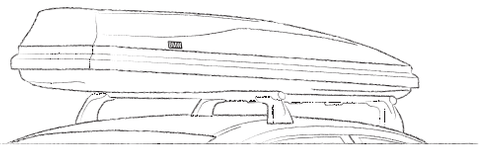
4 Universal holder
Provides secure support even for large, bulky items. Consists of four infinitely adjustable holders, four strap eyelets and two tensioning straps.



5 BMW roof box 460, L x W x H: 230 x 82 x 37 cm



BMW roof box 350, L x W x H: 140 x 90 x 39 cm



BMW roof box 320, L x W x H: 225 x 55 x 37 cm

5 + 6 BMW roof boxes
Available in three sizes: 460 l (see Fig. 6), 350 l and 320 l. Easy to load, thanks to an innovative system that opens from both sides (roof boxes 460 and 350). Features anti-theft triple central locking.

Ski rests in roof box (not shown)
Available for BMW roof boxes 460 and 320.

7 Raised carrier bars
For the BMW ski and snowboard holder. Increases the distance between the ski bindings and the roof by 25 mm.

8 Universal lift and adapter for roof boxes
The simple way to fit and remove all BMW roof boxes. Helps to save space by storing the roof box under the garage roof.

6

7

8

1 Lashing rails in the luggage compartment
Luggage can easily be secured using the two lashing rails built into the luggage compartment floor and four variable locking eyelets.

2 Luggage compartment restraint belts
The restraint belts are simple to insert into the lashing rails, can be moved lengthways, and serve to secure light items of luggage.

3 Collapsible box
Waterproof, quick and easy to assemble, and held together with Velcro-type fasteners. For loads of up to 20 kg. Available in two different sizes. Up to four collapsible boxes can be stored under the cargo platform.

4 Luggage compartment floor net
Attaches to the eyelets that are fitted as standard to the floor of the luggage compartment.

Dog safety harness (not shown)
Available in a choice of three sizes. It is designed to secure dogs on the rear seat bench, thereby enhancing the safety of passengers. A lead can also be attached to a metal ring.

5 Driver Utility Set Pro
Equally useful at home and on the move. Comprises a selection of high quality tools, all branded with BMW lettering and stored in made to measure slots, including a screwdriver with a chrome plated blade attachment and a set of 16 head attachments, a chrome plated spanner, an LED head torch and nylon gloves. The Set also features a Genuine Leatherman multitool, a set of travel cutlery including corkscrew and bottle opener, two stainless steel telescopic cups, and two cloth napkins, housed in an exclusive, carry bag with embossed BMW lettering.

1

2

3

4

5

6

6 Battery charger
The battery charger is a handy size and easy to use. Simply plug it into the socket in the luggage compartment to start charging. Available in two versions, with a maximum charging current of 3.6 amps. Charges 12 Volt batteries and guarantees maximum battery life. Perfect for vehicles which are only used occasionally or for short journeys.

7 Luggage compartment tie-down straps
Two tear-resistant tie-down straps secure items in the luggage compartment quickly and safely. Available with two different fastening mechanisms.

7 Luggage compartment dividing net with roller cover
Fitted behind the second row of seats to prevent objects lurching forwards into the passenger compartment. A luggage compartment dividing net for fitting behind the front seats is also available.

8 Adaptive luggage securing system
Consists of an aluminium bar and two straps for holding lighter items of luggage in place. It is mounted on the lashing rails, and its position can be adjusted forward and backward.

9 Luggage compartment mat, fitted
Non-slip, tailored mat made of durable plastic. Oil and solvent-resistant.

7

8

9

Storage package (not shown)
Includes a storage compartment in the front behind the centre console with a 12 Volt socket, and two lashing rails (each with four lashing eyelets) and tensioning straps at left and right in the luggage compartment (tensioning straps not included where third row of seats is fitted).

1 Anti-slip mat
Precisely fitted to the available space, the mat stops objects from sliding around.

2 Loading sill protective mat
This padded non-slip mat folds out over the loading sill to protect it against damage. It also provides a place to sit.

3 Luggage compartment tray
Shatterproof, acid proof and impact resistant. The tray fits precisely into the luggage compartment floor.

4 Luggage compartment mat, reversible
Can be used either way up. Features one velour and one anti-slip plastic surface. When folded out, the reversible luggage compartment mat covers the folded down rear bench. With loading sill protective mat.

First aid kit (not shown)
Jump leads (not shown)
Mobility kit (not shown)
Powder-type fire extinguisher (not shown)
Tow bar (not shown)
Warning jacket (not shown)
Warning triangle (not shown)

FOR SPARKLING RESULTS.

GENUINE BMW CARE PRODUCTS.

With Genuine BMW Care Products, it is easy to keep your BMW looking great for longer. Use BMW hard wax with nano-technology to effectively protect your vehicle's paintwork, or the leather preserving set with UV protection to ensure your BMW stays as good as new. Other surfaces, such as glass, plastics and textiles, can also be gently yet effectively cleaned with BMW Care Products. All products are suitable for use with lots of different materials and are very easy to use.

As well as the existing selection of cleaning products, BMW now offers a new range called Natural Care. These products are sustainable and environmentally friendly in every way – they are sourced from natural raw materials, manufactured using energy-efficient processes, safe to use, and come with recyclable packaging. The new range consists of six products: car shampoo, car polish, car wax, windscreen wash concentrate, glass cleaner and interior cleaner. Natural Care products are primarily made from natural-source raw materials, such as tensides and bioalcohol from sugar beets, carnauba wax and linseed oil. Natural Care is all about combining sustainability with high product quality.

To find out more about Genuine BMW Care Products, please see www.bmw.co.uk/accessories.

Special products	27

Find inspiration on the BMW website. In the Accessories section, you can check out more illustrations and detailed information about the full range of Genuine BMW Accessories.

JOY IS KNOWING THAT YOU ARE IN GOOD HANDS.

To ensure your BMW performs at its best every day, your BMW Service Authorised Workshop does much more than just give you advice on which Genuine BMW Accessories to choose and offer a professional fitting service.

BMW Service Inclusive – you pay a fixed price and all your vehicle's servicing requirements are covered for the first five years or 60,000 miles (whichever occurs first). Alternatively you can choose BMW Service Inclusive Plus, which in addition to servicing also covers maintenance items such as brake pads, brake discs and windscreen wipers.

BMW Emergency Service – designed to provide assistance for motoring emergencies and includes a comprehensive range of benefits, including car hire, vehicle recovery and redelivery. BMW drivers have access to an extensive network of Emergency Service centres manned 24 hours a day, every day of the year.

For more information on BMW Service, please contact your BMW Service Authorised Workshop or visit **www.bmw.co.uk/service**
